WAKING UP TO THE WORK.

Contestants Working Hard for the Bonus Votes That Mean "Win."

Since announcing our second bonus votes, in which we give 5,000 votes extra for twelve subscriptions turned in before Wednesday night, May 31, the contestants have become more active than at any time since the contest opened. The idea of getting five or ten thousand free votes for 12 or 24 subscriptions looks good to the contestants and it quite a number come with more than twelve subscriptions we would not be surprised. Some have their mind set on at least 24 subscriptions. They know they can get them for the people want the Chronicle and paying a year or two in advance only means they will have it out of the way and will not have to bother with looking after it after paying for that long a time.

There are several parts of the county that have not been worked at all and no section has been worked thoroughly as yet. Those who nominated the ladies should not forget that there is a 26-piece silver set free for the person who nominated the winner of the grand prize—the \$150 talking machine. This silver set is worth \$12.00 and is a handsome and useful article for any home. It may be seen at the Chronicle office any time.

Since the lady got ten subscriptions in less than two hours she realizes more than ever how easy it is to get them when she goes to work in earnest and we expect her to turn in a large number of subscriptions by the end of this free vote period.

Judging from the interest now being manifest, the contest promises to be warm from now to the end. With 500 votes for a one-year subscription, 1,500 votes for a two-year and 3,000 votes for a three-year it means that a greater effort will be made for long subscriptions from now on. Add to those votes the 5,000 or 10,000 free votes and it makes a big inducement for close and energetic work.

Contestants should not forget that there are two prizes to each of the three districts besides the two grand prizes. One bracelet watch and one lavallier for each district besides the two grand prizes, the Talking Machine and Diamond Ring. No person can get more than one prize, which makes the chance better for several contestants. Besides there is the silver set for the person who nominates the winner of the talking machine.

Last week several votes came in from people at a distance for several of the contestants, but we cannot tell who sent the votes for that would be contrary to instructions. Votes are coming in from all directions and no one can tell who will be in the lead any day, so close are the contestants. There is only one right way to win and that is to keep working all the time and trust to your own energy and the help of your friends to bring you out ahead. If any votes come in for you from a distance that is so much extra help, but it will not be wise to depend on that.

TELLS WHAT HE THINKS.

Anna Hawn, Cedar Grove, Mo., writes: "We think Foley Cathartic Tablets are the best liver pills we ever got hold of, as they do not nauseate or gripe, but act freely on the liver." SEVERE PUNISHMENT

Of Mrs. Chappell, of Five Years' Standing, Relieved by Cardui.

Mt. Airy, N. C.—Mrs. Sarah M. Chappell of this town, says: "I suffered for five years with womanly troubles, also stomach troubles, and my punishment was more than any one could tell."

I tried most every kind of medicine, but none did me any good.

I read one day about Cardui, the woman's tonic, and I decided to try it. I had not taken but about six bottles until I was almost cured. It did me more good than all the other medicines I had tried, put together.

My friends began asking me why I looked so well, and I told them about Cardui. Several are now taking it."

Do you, lady reader, suffer from any of the ailments due to womanly trouble, such as headache, backache, sideache, sleeplessness, and that everlastingly tired feeling?

If so, let us urge you to give Cardui a trial. We feel confident it will help you, just as it has a million other women in the past half century.

Begin taking Cardui to-day. You won't regret it. All druggists.

May 22. XX.

It was announced last Sunday at the Baptist church that there will be an old time sing here the third Sunday in June. The "Harp of Columbia" will be used for the occasion. It will be an all-day affair. Every body invited to come and bring their dinners with them, and some more too. Come one, come all, and let's have a regular good old time, and renew our social relations.

Our dwarfed and dwindling spirits were revived to see the surveying crew here to locate the east end of the Memphis to Bristol highway to the Roane county line. Everybody is looking forward in pleasant anticipation that the dirt will soon be flying.

Mrs. Kate Burnett, of Grassy Cove, was a Crab Orchard visitor Saturday and Sunday.

The long dry spell was broken by a fine rain Sunday night, which was a God-send for the farmers.
